GENERAL INFORMATION

Your attention is drawn to the additional information set out in the appendices to this circular.

The English text of this circular shall prevail over the Chinese text for the purpose of interpretation.

Yours faithfully,
For and on behalf of the Board
Extrawell Pharmaceutical Holdings Limited
Xie Yi
Chairman

This appendix serves as an explanatory statement, as required by the Listing Rules, to provide requisite information to enable you to make an informed decision whether to vote for or against the resolution(s) to approve the grant of the Buy-back Mandate to the Directors.

1. LISTING RULES RELATING TO THE BUY-BACK OF SHARES

The Listing Rules permit companies whose primary listing is on the Stock Exchange to buy back their shares on the Stock Exchange subject to certain restrictions, amongst which the Listing Rules provide that the shares of a company with a primary listing on the Stock Exchange must be fully paid up and all buy-back of shares by such company must be approved in advance by an ordinary resolution of shareholders, either by way of Buy-back Mandate or by specific approval of a particular transaction.

2. SHARE CAPITAL

As at the Latest Practicable Date, there was a total of 2,390,000,000 fully paid Shares in issue. Subject to the passing of the proposed resolution granting the Buy-back Mandate and on the basis that no further Shares are issued or bought back prior to the Annual General Meeting, the Company will be allowed under the Buy-back Mandate to buy back a maximum of 239,000,000 Shares, representing 10% of the issued share capital of the Company, during the period ending on the earlier of the conclusion of the next annual general meeting of the Company or the date by which the next annual general meeting of the Company is required to be held by the Bye-Laws or any applicable laws of Bermuda or the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting.

3. REASONS FOR THE BUY-BACKS

The Directors believe that it is in the best interests of the Company and its Shareholders to seek a general authority from the Shareholders to enable the Company to buy back its Shares on the Stock Exchange pursuant to the Buy-back Mandate. Such buy-backs may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such a buy-back will benefit the Company and its Shareholders.

4. FUNDING OF BUY-BACKS

Buy-backs made pursuant to the Buy-back Mandate would be funded out of funds legally available for the purpose in accordance with the Company's memorandum of association and Bye-Laws and the applicable laws of Bermuda.

The laws of Bermuda provide that the amount of capital repaid in connection with a share buy-back may only be paid out of either the capital paid up on the relevant shares, or the funds of the Company that would otherwise be available for distribution by way of dividend or distribution or the proceeds of a fresh issue of shares made for the purpose. The amount of premium payable on buy-back may only be paid out of either the funds of the Company that would otherwise be

available for distribution by way of dividend or distribution or out of the share premium account of the Company. Should the Directors consider it desirable, they would be able to finance the buy-back out of funds borrowed against any of the above-mentioned accounts. In addition, under the laws of Bermuda, no buy-back by a company of its own shares may be effected if, on the date on which the buy-back is to be effected, there are reasonable grounds for believing that the company is, or after the buy-back would be, unable to pay its liabilities as they become due. In accordance with the laws of Bermuda, the Shares so bought back would be treated as cancelled but the aggregate amount of authorised share capital would not be reduced.

Buy-back of Shares may be funded out of the internal resources of the Group and/or banking facilities as the Directors consider desirable according to the then financial position of the Group. The Directors wish to state that they have no immediate plan to buy back any Shares pursuant thereto.

There might be material adverse impact on the working capital or gearing position of the Company, as compared with the position disclosed in the latest published audited financial statements contained in the annual report of the Company for the year ended 31 March 2017, in the event that the Buy-back Mandate were to be carried out in full at any time during the proposed buy-back period. The Directors, however, do not intend to exercise the Buy-back Mandate to such extent as would, in the circumstances, have a material adverse impact on the working capital requirements or the gearing levels of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

5. SHARE PRICES

The highest and lowest prices at which the Shares were traded on the Stock Exchange in each of the twelve months preceding the Latest Practicable Date and up to the Latest Practicable Date were as follows:

	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
July 2016	0.275	0.250
August 2016	0.275	0.250
September 2016	0.285	0.250
October 2016	0.275	0.255
November 2016	0.335	0.241
December 2016	0.275	0.245
January 2017	0.280	0.255
February 2017	0.270	0.255
March 2017	0.260	0.241
April 2017	0.249	0.225
May 2017	0.235	0.200
June 2017	0.210	0.161
July 2017 (up to the Latest Practicable Date)	0.167	0.130

6. THE TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING

If a Shareholder's proportionate interest in the voting rights of the Company increases on the Company exercising its powers to buy back Shares pursuant to the Buy-back Mandate, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, Innovative Pharmaceutical Biotech Limited ("**Innovative Pharm**") (formerly known as United Gene High-Tech Group Limited), a company listed on the Stock Exchange, held 457,510,000 Shares, representing approximately 19.14% of the entire issued share capital of the Company. Assuming that there will be no change in the issued share capital of the Company prior to the buy-back of Shares and Innovative Pharm did not dispose of its Shares nor acquire additional Shares prior to any buy-back of Shares, if the Buy-back Mandate, if so approved, were exercised in full, the percentage shareholding of Innovative Pharm would be increased to approximately 21.27% of the then issued share capital of the Company. Innovative Pharm would not be obliged to make a mandatory offer under Rule 26 of the Takeovers Code if the Buy-back Mandate were exercised in full.

The Directors are not aware of any consequences which would arise under the Takeovers Code as a consequence of any buy-backs pursuant to the Buy-back Mandate. An exercise of the Buy-back Mandate whether in whole or in part will not result in less than 25% of the Shares being held by the public.

7. DISCLOSURE OF INTERESTS AND UNDERTAKING

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates, has any present intention to sell any Shares to the Company if the Buy-back Mandate is approved by the Shareholders.

The Company has not been notified by any core connected person (as defined in the Listing Rules) that such a person has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the Buy-back Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that they will only exercise the power of the Company to make buy-backs pursuant to the Buy-back Mandate and in accordance with the Listing Rules and the applicable laws of Bermuda.

8. SHARE BUY-BACK MADE BY THE COMPANY

No buy-back of Shares (whether on the Stock Exchange or otherwise) has been made by the Company during the six months preceding the Latest Practicable Date.
